with no street lights. Just north of Beck Rd. I struck a pedestrian that
was in the roadway with a push mower. I did not see the subject in the
roadway until impact. I immediately slowed my vehicle down at Beck road,
exited and checked on the subject that I struck. At the same time I
made contact with another operator of a vehicle that was a short
distance behind me. It was determined that the subject was deceased and
I immediately notified MSP Leonardtown via cell phone.
