PEDESTRIAN IN ROADWAY FATALLY INJURED WHEN STRUCK BY STATE POLICE VEHICLE IN ST. MARY'S CO.

(HOLLYWOOD, MD) – An elderly St. Mary's County man who witnesses say was walking in the roadway was fatally injured tonight when he was struck by an off-duty state trooper.

The deceased is identified as Buhrman K. Baird, 88, who lived in the 24000-block of Old Hollywood Road, Hollywood, Md. He was pronounced dead at the scene.

The trooper is identified as Trooper First Class Wesley Goldston, 33, who is assigned to the Automotive Safety Enforcement Division. He is a 15-year veteran of the Maryland State Police. TFC Goldston was off-duty, driving an unmarked, white, 2010 Jeep Laredo, registered to the Maryland State Police and assigned to the Automotive Safety Enforcement Division. He was not injured.

The crash occurred shortly after 7:00 p.m. today in the southbound lane of Mervell Dean Road, north of Beck Road, in Hollywood. The preliminary investigation by troopers from the State Police CRASH Team and the Leonardtown Barrack indicates TFC Goldston was southbound on Mervell Dean Road, when he came upon a person in dark clothing walking south in the roadway directly in front of his vehicle. TFC Goldston took evasive action, but was unable to avoid striking the person, later identified as Baird.

Investigators found Baird was dressed in black boots, black pants, a dark green camouflage jacket, a dark blue jacket, and a tan fisherman's hat. CRASH Team investigators have found no evidence of speed being a factor. Their preliminary investigation indicates Baird was walking in the roadway, directly in the path of the oncoming vehicle. He was pushing a lawn mower in front of him, which he was apparently known to do frequently, according to people in the community who often saw him walking.

State Police investigators interviewed a witness who said he had seen a man described as Baird walking in the roadway on Beck Road earlier and had swerved and blown his horn. This same witness later saw what appeared to be the same man walking in the travel portion of Mervell Dean Road. The witness said he saw a white vehicle approach and swerve suddenly.

The investigation is continuing.
