TRI-COUNTY COUNCIL FOR SOUTHERN MARYLAND

The Tri-County Council for Southern Maryland assist the Maryland Administration's (MTA) operation of a large number of express commuter bus routes from the Southern Maryland Region into numerous areas of the Metropolitan Washington Region.

Assist your employees with their Commute to Work. You will Reap the Benefits...

Area businesses that encourage and support the use of vanpools and public transit services may be eligible for commuter tax credits. The Maryland State Legislature created an income tax (House Bill 646/Chapter 560 and Senate Bill 390/Chapter 559 of the session laws of 1999) for employers who provided commuting benefits to their employees. The Council's Regional Rideshare Coordinator/Employer Outreach Specialist will assist your business with a FREE evaluation of the commuting needs of your employees.

Free Instant Ridematching Services. Sign up today!

The Council's Commuter Assistance Program also assists with introducing residents, employees and employers to other drive alone alternatives such as: carpools, vanpools, subscription bus, local public transit, and tele-work options.

SchoolPool

We understand the safety of your children is of the utmost importance to you. For this reason SchoolPool only shares the parents' contact information and never information about your children. Take advantage of SchoolPool to get your children to school in a safe and secure manner.
